

CAPTIVE FASTENER

- Counterbore SMT Fastener Screw with tool-free quick-release mechanism offers reliable fastening solutions.
- Hand-twist screw with spring design enhances manual operation convenience.
- Compact design optimizes chassis space for high-density AI servers.
- SMT automation saves labor costs, improves yield, and boosts efficiency.
- Reliable and stable fully automated SMT soldering with wide applications.
- Custom design services available in various forms.

Fastener Screw Patented.

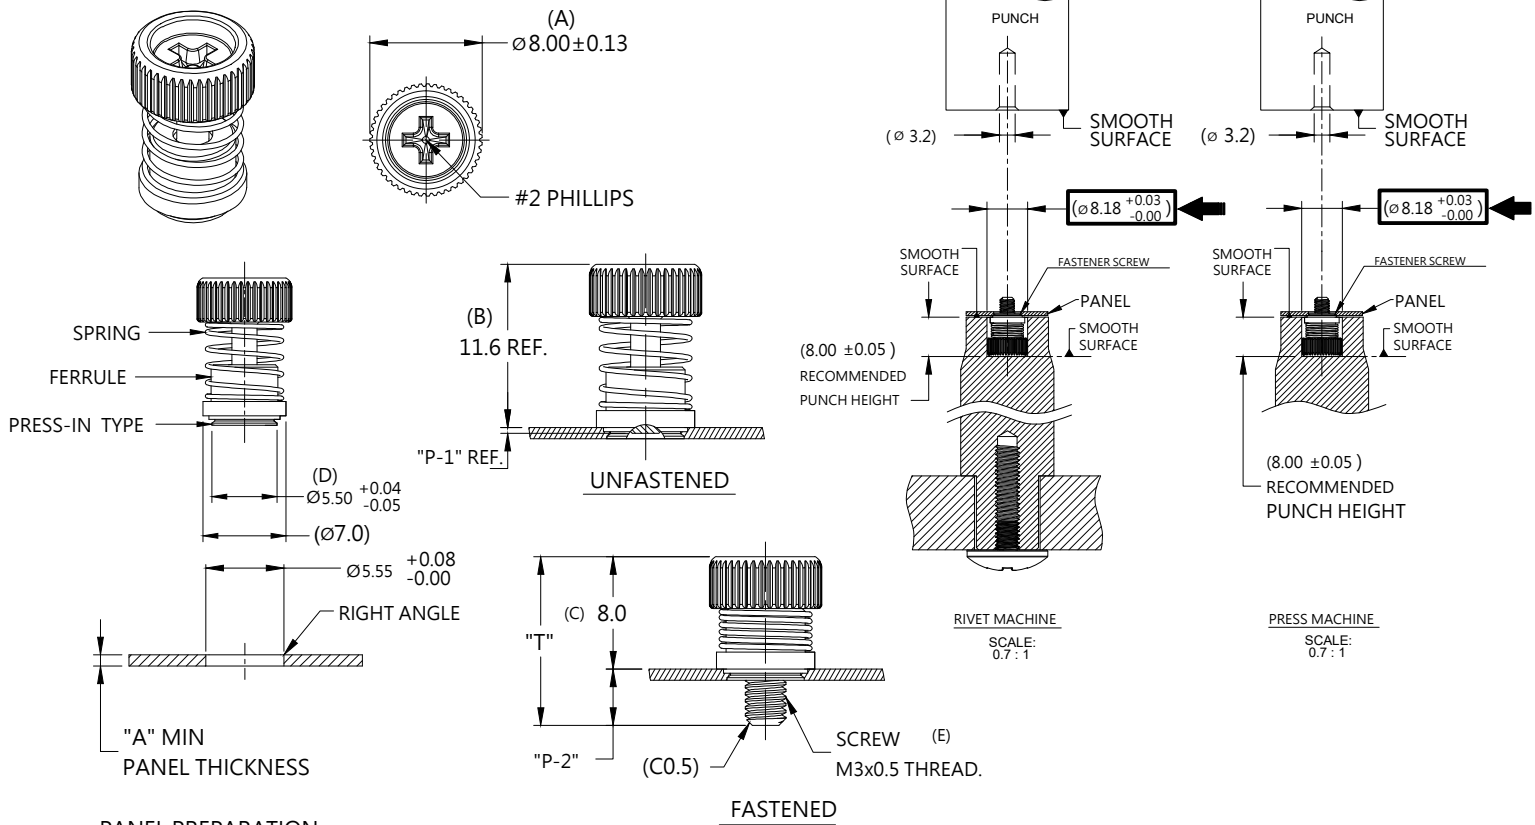

Material and Finish

SCREW : Carbon Steel , Zine Finish

SPRING : 300 Series : Stainless Steel , Natural Finish

FERRULE : Carbon Steel , Zinc Finish

Panel Preparation
